❖ INTRODUCTION ❖

This 2004 edition of *Foundations in Wisconsin* marks the 23rd release of the print directory and the 4th year of the online version. The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was extracted from IRS 990-PF tax returns filed by the foundations. However, additional information was obtained from surveys, annual reports, and foundation Web sites.

Wisconsin foundations have shown small increases as compared to the 2003 edition. The number of active foundations has grown to an all-time high of 1184. Both total assets and grants for the state's foundations increased from 2003, albeit not to the heights documented in the 2002 edition. Total assets grew by 1.53% and total grants by .23%. The following table details the financial pattern over the 10 years.

Directory Edition	Active Foundations	Total Grants Paid	Total Assets
1995	909	\$144,085,594	\$2,020,822,167
1996	909	\$160,462,349	\$2,239,817,977
1997	950	\$182,967,421	\$2,708,661,013
1998	1002	\$214,924,544	\$3,220,532,662
1999	1048	\$270,535,600	\$3,902,154,919
2000	1065	\$298,408,284	\$4,533,619,026
2001	1100	\$361,133,037	\$5,005,239,842
2002	1151	\$389,009,152	\$5,018,788,836
2003	1160	\$386,684,708	\$4,700,316,614
2004	1184	\$387,572,449	\$4,772,292,891

Foundations residing in 10 counties account for 86% of total giving by Wisconsin foundations. Those counties are listed below in rank order by grants paid. Milwaukee County tops the list with about one third of the foundations in the state and 53% of the total grants. Notably, St. Croix County is new to the list of top 10 with just 5 foundations.

The fifty largest granting foundations in the state (4% of the total number of foundations) account for \$255,238,315 in total giving, or 66% of total grants paid reported in this edition. For the list of the top 50, please see page vi.

Foundations in Wisconsin is produced by the staff of the Funding Information Center, located in Marquette University's John P. Raynor, S.J., Library. The Center's mission is to serve the research needs of grantseekers from around the state. We welcomed nearly 650 visitors and received over 700 phone calls this past year. Among other resources, the Center's collection includes copies of both the print and online versions of the directory, which are available for public use. For more information about the Center, please turn to page vii or visit online at www.Marquette.edu/library/fic.

This directory could not have been produced without the many contributions of several hardworking people. Particular thanks go to student assistants Rebecca Cesarz, Val Murrenus, Katie Schrader, Vance Thomas, and Lisa Zongolowicz, who all worked in a dedicated, enthusiastic fashion while spending numerous hours compiling, entering, and proofing 990-PF tax data. I am also indebted to the following for their invaluable assistance: Connie Anderson of the Wisconsin Department of Justice for coordinating access to current tax information; the many foundation managers that took the time to respond to our surveys; the members of the Raynor Library Dean's Office and, most especially, my co-workers in Research and Outreach Services for their constant support and guidance throughout the year.

FOUNDATION CENTER COOPERATING COLLECTIONS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 200 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

FC Search (Electronic Database)
Foundation Directory 1 and 2, and suppl.

A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. ❖ **NEW FOUNDATIONS** ❖

The following list is a reprint of the names of 53 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 18 active foundations that have profiles in the main section of the book are designated with an "A." The rest are from the unprofiled section.

❖ AREAS OF INTEREST CATEGORIES ❖

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term "Interests" in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of \$1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation's complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar www.guidestar.org.
