### Introduction

The 2010 production of *Foundations in Wisconsin* marks the 29th edition of the print directory and the 10th anniversary of the online version (www.wifoundations.org). The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. Additional information was obtained from surveys, foundation Web sites, annual reports, and newsletters.

The nation's economic downturn continued to have a negative effect on Wisconsin foundations. While the total number of active grantmaking foundations increased to a record high 1,314 (with 123 new foundations identified), the total grants and assets declined to pre-2007 amounts. Total grants decreased by 7% to $473 million, total assets decreased by 18% to 5.6 billion. The following table illustrates the 10-year financial pattern as documented in *Foundations in Wisconsin*.

The 50 largest granting foundations in the state (4% of the total number of foundations) account for $288,791,017 in total giving or 61% of the total grants reported in this edition. For the list of the top 50, please see page vii.

_Foundations in Wisconsin_ is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. In the past year, we welcomed nearly 400 visitors and responded to more than 600 telephone, e-mail and IM inquiries. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. For more information about the Center or to plan a visit, please turn to page viii or see our Web site at www.marquette.edu/library/fic.

This directory could not have been produced without the considerable efforts of a variety of talented people. I am most indebted to my crew of dedicated and enthusiastic editorial assistants who all worked diligently to locate, compile, enter, and proofread the 990-PF tax data: Melanie Baier, Jeremy Blackwood, Anne Carpenter, Sarah Martin, and Greg Sikora. I am also grateful to Linda Fry of the Wisconsin Department of Justice for providing access to new tax information and to the many foundation managers who responded to our surveys. Finally, my thanks go to my colleagues in Research and Instructional Services for their continued support and encouragement throughout the production process.

THE COLLECTION

Since 1973, Marquette University’s Funding Information Center has been one of the over 400 cooperating collections of the Foundation Center (NYC). The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (CD, or flash drive required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

FOUNDATION CENTER COOPERATING COLLECTIONS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 400 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

Foundation Directory Online  
Foundation Directory, parts 1, 2 and 3  
Foundation Fundamentals  
Foundation Grants to Individuals  
Guide to Proposal Writing  
Guía Para Escribir Propuestas  
National Directory of Corporate Giving

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://foundationcenter.org.
The Donors Forum of Wisconsin (DFW) is a 501(c)3 nonprofit membership association of grantmakers working together to support and promote effective philanthropy in Wisconsin.

For over 30 years, the Donors Forum of Wisconsin has been Wisconsin’s premier resource for philanthropy offering opportunities for networking, professional development, community leadership and knowledge. DFW is a growing statewide network of grantmaking organizations that are committed to improving the quality of life in Wisconsin. Donors Forum of Wisconsin is one of 33 regional associations that work to promote philanthropy across the country.

Comprised of innovative, dynamic, engaged members, DFW provides time saving services and benefits to members. DFW members represent a diverse group of individual donors, independent and family foundations, corporate foundations and giving programs, and community foundations across the state of Wisconsin.

The Donors Forum of Wisconsin represents over 130 organizational members, serving more than 350 trustees, directors, staff, and individual donors. Foundation members represent over $3 billion in assets, which accounts for over 47% of all foundation assets in the state. Together, our member foundations contribute over $230 million in grants, which accounts for 45% of all grants distributed by Wisconsin foundations.

Services and program offerings include:

**Networking:** With many of Wisconsin’s grantmakers focusing their giving on local communities, the opportunity for funders to come together to address common issues, build skills, access information and develop relationships with and learn from one another is a key benefit of DFW membership.

**Professional Development:** DFW members tell us that our professional development options – such as the annual conference, grantmaking essentials and roundtable discussions – offer them valuable training and time-saving tips that refine and enhance the skills they need to be effective grantmakers.

**Community Leadership:** As the leading voice for organized philanthropy in the state, DFW informs external audiences such as media and policymakers about the role and power of Wisconsin grantmakers. DFW advocates on behalf of grantmakers to promote philanthropic giving and to maintain a supportive environment for philanthropy.

**Knowledge:** DFW offers information on Wisconsin issues, trends and policies as well as how national trends and issues play out in the state. Information and resources through its website, monthly e-newsletter, print and online publications and its dedicated and knowledgeable staff bring the latest news to members.

The Donors Forum of Wisconsin has nonprofit resources available on their website including the Wisconsin Common Grant Application. Please visit [www.dfwonline.org/wicga](http://www.dfwonline.org/wicga) to download the application.

The following list is a reprint of the names of 123 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 21 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

AREA OF INTEREST CATEGORIES

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
