INTRODUCTION

The 2006 production of *Foundations in Wisconsin* marks the 25th edition of the print directory and the 6th year of the online version (www.wifoundations.org). The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. However, additional information was obtained from surveys, foundation Web sites, annual reports, and newsletters.

Wisconsin foundations have shown continued growth in several key areas. The number of active grantmaking foundations has risen to 1227, with 77 new foundations identified since last year’s publication. Total grants increased by 15% to a total of $452 million, while assets increased by 6% to $5.5 billion. The following table details the 10-year financial pattern as documented in *Foundations in Wisconsin*.

The 50 largest granting foundations in the state (4% of the total number of foundations) account for $306,083,441 in total giving or 68% of the total grants reported in this edition. For the list of the top 50, please see page vi.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. We welcomed over 700 visitors and received over 600 phone calls this past year. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. For more information about the Center or to plan a visit, please turn to page vii or see our website at www.marquette.edu/library/fic.

This directory could not have been produced without the considerable efforts of our graduate assistants Jeremy Blackwood, Katie Morrison, Megan Muthupandiyan, Amy Nejezchleb, Vance Thomas, and Peter Wright; who spent countless hours locating, compiling, entering, and proofreading 990-PF tax data. Special thanks go to Vance for his invaluable software expertise. I am also indebted to the following for their assistance throughout the process: Connie Johnson and Linda Fry of the Wisconsin Department of Justice for providing access to new tax information; the many foundation managers who took the time to respond to our survey; the Raynor Library Circulation staff; and my colleagues in Research and Outreach Services for their continued support and encouragement. Finally, this edition of the directory is dedicated to the memory of retired Marquette University librarian, Maria Dittman, whose faithful service to the nonprofit community of Southeastern Wisconsin will long be remembered and appreciated.

The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (diskette required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

FOUNDATION CENTER COOPERATING COLLECTIONS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 250 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

- FC Search (Electronic Database)
- Guide to Grantseeking on the Web
- Foundation Directory 1 and 2, and suppl.
- Guide to Proposal Writing
- Foundation 1000
- Guide to U.S. Foundations, Their Trustees, Officers and Donors
- Foundation Fundamentals
- National Directory of Corporate Giving
- Foundation Today Series
- National Guide to Funding Series
- Foundation Grants to Individuals
- Cooperative Collections

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://www.fdncenter.org.

NEW FOUNDATIONS

The following list is a reprint of the names of 77 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 17 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

ARAS OF INTEREST CATEGORIES

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
