INTRODUCTION

The 2005 release of Foundations in Wisconsin marks the 24th edition of the print directory and the 5th year of the online version (www.wifoundations.org). The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was extracted from IRS 990-PF tax returns filed by the foundations. However, additional information was obtained from surveys, annual reports, and foundation Web sites.

The 2005 edition documents the significant economic rebound and growth of Wisconsin foundations. The number of active grant making foundations has risen to an all-time high of 1213. As compared to last year’s numbers, total grants increased by 10% and total assets by 2%, the highest the totals have ever been. The following table illustrates the financial pattern over the past 10 editions.

The fifty largest granting foundations in the state (4% of the total number of foundations) account for $260,629,140 in total giving or 66% of total grants paid reported in this edition. For the list of the top 50, please see page vi.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. We welcomed over 600 visitors and received over 500 phone calls this past year. Among other resources, the Center’s collection includes both the print and online versions of the directory, which are available for public use. For more information about the Center, please turn to page vii or visit online at www.Marquette.edu/library/fic.

Production of this directory could not have been accomplished without the contributions of many talented people. Seasoned graduate assistants Rebecca Cesarz, Val Murrenus, Megan Muthupandiyan, Vance Thomas, and Lisa Zongolowicz all worked diligently to locate, compile, enter, and proofread 990-PF tax data in a most timely manner. Connie Johnson of the Wisconsin Department of Justice provided access to new tax filings, as did many foundation managers who responded to our surveys. Keven Riggle and Dan Abler helped with the much needed upgrade of our database. I am grateful to my co-workers in Research and Outreach Services for their constant encouragement throughout the project. Finally, I would like to thank our Dean of Libraries, Dr. Nicholas Burckel, for his 10 years of support of the Funding Information Center and of this publication in particular. It has truly been appreciated.

THE COLLECTION

Since 1973, Marquette University's Funding Information Center has been one of the over 200 cooperating collections of the Foundation Center (NYC). The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (diskette required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

WEB SERVICES

The Funding Information Center's Web site provides links to Internet resources providing foundation information, federal grant information, resources for nonprofits, proposal writing, prospect research, and access to the Funding Information Center user guides. The Common Application Form is also available.

Orientations to the collection are held twice a month by appointment. Please call for registration information. Appointments are also available for individual consultation with the librarian. It is always recommended to call ahead for in-depth research assistance.
FOUNDATION CENTER COOPERATING COLLECTIONS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 200 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

FC Search (Electronic Database)
Foundation Directory 1 and 2, and suppl.
Foundation 1000
Foundation Fundamentals
Foundation Today Series
Foundation Grants to Individuals
Guide to Grantseeking on the Web
Guide to Proposal Writing
Guide to U.S. Foundations, Their Trustees, Officers and Donors
National Directory of Corporate Giving
National Guide to Funding Series

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://www.fdncenter.org.

Purpose: Supports innovative projects and programs which advance the well being of people, and promote successful relationships with their families and communities. The foundation currently concentrates on grantmaking in six primary areas: Alzheimer’s Disease and Dementia, Economic Development, Children and Youth in Israel, Jewish Life and Learning, and Sankofa Neighborhood Renewal. The foundation prefers funding programs that demonstrate results, are coordinated with other community programs, and can be easily replicated. The Fdn. often funds multiple-year projects, but rarely for a period of more than three years. All grants approved for more than one year are conditional and are subject to an annual review and approval before funds for subsequent years are released.
Geographic Focus: Giving is primarily in the Greater Milwaukee, WI area for community initiatives, economic development, Jewish education & culture, and Sankofa-Youth Development programs. Alzheimer’s and Dementia grants are given both locally and nationally. Israel focuses within the country of Israel.
Limitations: The foundation does not provide direct support to individuals, including individual scholarships. Grants are given only to US organizations which are tax exempt under Section 501 (c) (3) of the Internal Revenue Code or to government entities. Grants will only be approved for foreign entities which meet specific charitable status requirements.

NEW FOUNDATIONS

The following list is a reprint of the names of 83 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 20 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

**AREAS OF INTEREST CATEGORIES**

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
