INTRODUCTION

The 2012 release of Foundations in Wisconsin marks the 31st edition of the print directory and the twelfth year of the online version. The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. Additional information was obtained from surveys, foundation Web sites, annual reports, and newsletters.

Fortunately, Wisconsin foundations are rebounding from the recent economic downturn. While the total number of active foundations (1301) decreased slightly from 2011’s high number, 57 new foundations were identified and two key measures show positive growth. Total assets increased by 12% from last year to over $7 billion, and grants rose 7% to $490 million, close to pre-recession totals. The following table illustrates the 10-year financial pattern as documented in Foundations in Wisconsin.

The 10 counties listed below account for 84% of total giving by Wisconsin foundations. Milwaukee County once again tops the list with 25% of the total number of foundations and 45% of the total grantmaking.
The 50 largest granting foundations in the state (4% of the total number of foundations) account for $304,353,019 in total giving or 62% of the total grants reported in this edition. For the list of the top 50, please see page vii.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. In the past year, we welcomed nearly 300 visitors and responded to more than 590 telephone, e-mail and IM inquiries. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. The online directory’s demo site provides information about using and subscribing to the database: www.wifoundations.org. For more information about the Center or to plan a visit, please turn to page viii or see our website at www.marquette.edu/library/fic.

There are many people to thank for the production of this directory. It could not have been done without the considerable efforts of editorial assistants Anne Carpenter, Nathan Lunsford, Sarah Martin, Jakob Rinderknecht, Claire Seigworth, and Joe Torchedlo who all worked diligently to locate, compile, and proofread the 990-PF tax data. I am also indebted to student assistants Snehal Patil, Sapna Sumanth, and Jenny Vrobel for their many hours of data entry. Theresa Houfe and Kyle Rogers of the Wisconsin Department of Justice were quite helpful in providing access to new tax information, as were the many foundation managers who responded to our survey with tax returns, guidelines, and annual reports. Special thanks go to my colleague Susan Hopwood (a former editor of this directory) for her years of guidance and advice not only with *Foundations in Wisconsin* but also with the Funding Information Center in general. Finally, I would like to thank my co-workers in Research and Instructional Services for their constant encouragement throughout this project.

THE COLLECTION

Since 1973, Marquette University’s Funding Information Center has been one of the over 450 cooperating collections of the Foundation Center (NYC). The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (CD, or flash drive required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

WEB SERVICES

http://www.marquette.edu/library/fic

The Funding Information Center’s Web site provides links to Internet resources providing foundation information, federal grant information, resources for nonprofits, proposal writing, prospect research, and access to the Funding Information Center user guides. The Common Application Form is also available.

Call (414) 288-1530 for a recorded hours message during holidays, inter-sessions and summer.

RESEARCH ASSISTANCE

Orientations to the collection are held twice a month by appointment. Please call for registration information. Appointments are also available for individual consultation with the librarian. It is always recommended to call ahead for in-depth research assistance.
The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 450 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

- Foundation Directory Online
- Foundation Directory, parts 1, 2 and 3
- Foundation Fundamentals
- Foundation Grants to Individuals

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://foundationcenter.org.

The Donors Forum of Wisconsin (DFW) is a 501(c)3 nonprofit membership association of grantmakers working
together to support and promote effective philanthropy in Wisconsin.

For over 30 years, the Donors Forum of Wisconsin has been Wisconsin’s premier resource for philanthropy
offering opportunities for networking, professional development, community leadership and knowledge. DFW is a
growing statewide network of grantmaking organizations that are committed to improving the quality of life in
Wisconsin. Donors Forum of Wisconsin is one of 33 regional associations that work to promote philanthropy
across the country.

Comprised of innovative, dynamic, engaged members, DFW provides time saving services and benefits to
members. DFW members represent a diverse group of individual donors, independent and family foundations,
corporate foundations and giving programs, and community foundations across the state of Wisconsin.

The Donors Forum of Wisconsin represents over 130 organizational members, serving more than 350 trustees,
directors, staff, and individual donors. Foundation members represent over $3 billion in assets, which accounts for
over 47% of all foundation assets in the state. Together, our member foundations contribute over $230 million in
grants, which accounts for 45% of all grants distributed by Wisconsin foundations.

Services and program offerings include:

Networking: With many of Wisconsin’s grantmakers focusing their giving on local communities, the opportunity
for funders to come together to address common issues, build skills, access information and develop relationships
with and learn from one another is a key benefit of DFW membership.

Professional Development: DFW members tell us that our professional development options – such as the
annual conference, grantmaking essentials and roundtable discussions – offer them valuable training and time-
saving tips that refine and enhance the skills they need to be effective grantmakers.

Community Leadership: As the leading voice for organized philanthropy in the state, DFW informs external
audiences such as media and policymakers about the role and power of Wisconsin grantmakers. DFW
advocates on behalf of grantmakers to promote philanthropic giving and to maintain a supportive environment for
philanthropy.

Knowledge: DFW offers information on Wisconsin issues, trends and policies as well as how national trends and
issues play out in the state. Information and resources through its website, monthly e-newsletter, print and online

The following list is a reprint of the names of 57 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 10 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

**AREAS OF INTEREST CATEGORIES**

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
