Purpose: Supports innovative projects and programs which advance the well being of people, and promote successful relationships with their families and communities. The Foundation concentrates on grantmaking in three areas: Alzheimer’s and Aging; Community Partnerships for Youth; and Workforce Development. Additional grants are awarded for the arts, Jewish education, and community initiatives. The foundation prefers funding programs that demonstrate results, are coordinated with other community programs, and can be easily replicated. The Foundation often funds multiple-year projects, but rarely for a period of more than three years. All grants approved for more than one year are conditional and are subject to an annual review and approval before funds for subsequent years are released.

Geographic Focus: Giving is primarily in the Greater Milwaukee, WI area for community partnerships for youth and workforce development. Alzheimer’s and Dementia grants are awarded nationally with priority to Wisconsin.

Limitations: The foundation does not provide direct support to individuals, including individual scholarships. Grants are given only to US organizations which are tax exempt under Section 501(c)(3) of the Internal Revenue Code or to government entities. Grants will only be approved for foreign entities which meet specific charitable status requirements.

Purpose: WCF raises money and makes grants to progressive grassroots groups that are too small, too new, or too controversial for mainstream funders.
