FOUNDATION CENTER NETWORK PARTNERS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 470 partners in its funding information network across the country. These partners are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://foundationcenter.org.
