Dear father Hughes:-

Enclosed please find letter of thanks to Mrs. Patrick Mulroney. I also want to thank you for favoring me with this donation. We are having cold weather this winter and a good many of our Indians on account of poor crop are actually in want of food. You may imagine that I am called upon to help out here and there.

We are getting along with our schools as well as could be expected. We have more children this year and I think I will have to make room for some more. Thank God the Indians begin to have confidence in our school, which is a step forward.

Thanking you for your efforts to help us
 I am yours

Dear Mrs. Mulraney:

Your donation of \$5 towards the Sacred Heart Mission was transmitted to me by Rt. Rev. Msgr. William Hughes, Director of the Bureau of Catholic Indian Missions. I want to thank you for this generous gift which is especially appreciated at this time when we find it hard to keep up our Indian school. To preserve the faith and save the souls of our Catholic Indian children we are making an effort to conduct a Catholic Indian Boarding School. By assisting us in this effort I am sure you will earn God's manifold blessings.

Thanking you once more for your kind favor, I am,

Dear Father Hughes:

According to the letter, which I have received from Walter P. I have known him for many years and of course would be glad, if he could get this appointment. Whatever you may be able to do for him would be greatly appreciated.

Dear Father Peter:

I enclose copy of letter addressed today to a donor of \$500 for a chapel. In your list of mission needs you ask for a meeting house and a chapel. You gave me no story regarding the meeting house. But your story regarding the chapel was very good. I know that \$500 will not build a real chapel but it will build one of the Sioux meeting house type, which may be used later on exclusively for a meeting house or even for a catechist's house, or the like. It is not necessary or desirable to inform donors that the use of the building may be changed later. Even in the cities, the first parish church commonly becomes a parish hall afterwards.

Please inform me if you can accept this gift, and how soon you can build the chapel if I send the gift to you.

Yours fraternally,

If you need this chapel and \$500 is enough, you can accept this gift and acknowledge it as received even if you can not begin building until the Spring. Do not mention that to the donor. I will hold the money until you are ready to start the chapel.
