The 2015 release of *Foundations in Wisconsin* marks the 34th production of the print directory and the 15th year of the online version. The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. Additional information was obtained from surveys, foundation websites, annual reports, and newsletters.

Wisconsin foundations have shown significant growth in two key areas. Grant and asset totals have risen to their highest recorded levels. Total grants increased by 5% to $579 million and assets by 17% to $9.5 billion. Additionally, 58 new foundations have been identified this edition. (See page 271 for the complete list.) The following table illustrates the 10-year financial pattern as documented in *Foundations in Wisconsin*.

The 50 largest granting foundations in the state (4% of the total number of foundations) account for $362,816,247 in total giving or 63% of the total grants reported in this edition. For the list of the top 50, please see page vii.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. In the past year, we welcomed 407 visitors and responded to 569 in-person, telephone, e-mail and IM inquiries. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. The online directory’s demo site provides information about using and subscribing to the database: www.wifoundations.org. For more information about the Center or to plan a visit, please turn to page viii or see our website at www.marquette.edu/library/fic.

There are many talented people to thank for their efforts in the creation of this directory. I am most grateful to editorial assistants Jason Bermender, David (Glenn) Butner, Brittany Carloni, Clare McNamara, and Dominic Zappia who spent countless hours locating, compiling, and proofing 990-PF tax data. I am also indebted to Jeremy Cluth and Giuliana Kure who entered the data with diligence and accuracy. Jocelyn Henning of the Wisconsin Department of Justice provided access to recent tax information, and numerous foundation managers responded to our survey with tax returns, application guidelines, and annual reports. Finally, I would like to thank my colleagues in Research and Instructional Services who continually provide me with support and encouragement during the production process.

Since 1973, Marquette University’s Funding Information Center has been one of the over 475 partners in the New York-based Foundation Center’s Funding Information Network. The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Wisconsin Philanthropy Network) are also available in both print and electronic formats (CD or flash drive required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

The Funding Information Center’s Web site provides links to Internet resources providing foundation information, federal grant information, resources for nonprofits, proposal writing, prospect research, and access to the Funding Information Center user guides. The Common Application Form is also available.

Marquette’s Funding Information Center is free and open to the public. A photo ID, such as a driver’s license, is required for Day Pass registration at the entrance to the Raynor Library. Visitor parking is conveniently located just north of Wisconsin Avenue on N. 16th Street or at 13th and Wells St. Regular Funding Information Center hours are as follows:

- Monday - Thursday: 9:00 am - 10:00 pm
- Friday: 9:00 am - 5:00 pm
- Saturday: Noon - 5:00 pm
- Sunday: Noon - 10:00 pm

Call (414) 288-1530 for a recorded message of hours during holidays, intersessions and summer.

Research Assistance

Orientations to the collection are held twice a month by appointment. Please call for registration information. Appointments are also available for individual consultation with the librarian. It is always recommended to call ahead for in-depth research assistance.
FOUNDATION CENTER NETWORK PARTNERS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 475 partners in its funding information network across the country. These partners are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

- **Foundation Directory Online**
- **Foundation Directory, parts 1, 2 and 3**
- **Foundation Fundamentals**
- **Foundation Grants to Individuals**
- **Guide to Proposal Writing**
- **Guía Para Escribir Propuestas**
- **National Directory of Corporate Giving**

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: [http://foundationcenter.org](http://foundationcenter.org).

ACCREDITED COMMUNITY FOUNDATIONS

Wisconsin is a national leader in the community foundation field. Wisconsin’s community foundations, coordinated by Wisconsin Philanthropy Network (formerly Donors Forum of Wisconsin), were the first in the nation to develop a certification process for community foundations.

Community Foundations are nonprofit organizations with the goal of strengthening Wisconsin’s communities. An accredited community foundation has confirmed compliance with The National Standards for U.S. Community Foundations™. According to the National Standards website, to achieve a confirmation of compliance, community foundations must undergo, “an extensive review of their organizational and financial policies and procedures.”

Wisconsin’s Certified Community Foundations administer and invest charitable funds for individuals, families and corporations, supporting Wisconsin’s communities through grants and community leadership.

The following community foundations are confirmed in compliance with National Standards for U.S. Community Foundations as of July 1, 2015:

The following list is a reprint of the names of 58 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 9 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
