The 2016 release of *Foundations in Wisconsin* marks the 35th edition of the print directory and the 16th edition of the online version. The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. Additional information was obtained from surveys, foundation websites, and annual reports.

This edition paints a very positive picture of financial growth for Wisconsin foundations. Both grant and asset totals have risen to all-time highs. Of particular note, total grants broke the $600 million barrier, increasing by 8% to $623 million. Additionally, 58 new foundations have been identified this year. (See page 269 for the complete list.) The following table illustrates the 10-year financial pattern as documented in *Foundations in Wisconsin*.

The 50 largest granting foundations in the state (4% of the total number of foundations) account for $378,180,780 or 61% of the total grants reported in this edition. For the list of the top 50, please see page vii.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. In the past year, we welcomed 365 visitors and responded to 417 in-person, telephone, e-mail and IM inquiries. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. The online directory’s site provides information about using and subscribing to the database: www.wifoundations.org. For more information about the Center or to plan a visit, please turn to page viii or see our website at www.marquette.edu/library/fic.

Production of this directory could not have been achieved without the considerable help of the following people. I am most indebted to my dedicated editorial assistants John Brick, Brittany Carloni, Jeremy Cluth, Kathryn Hendrickson, Sarah Holland, Clare McNamara, Katie Murray, Catherine Simmerer, and Dominic Zappia; all of whom diligently located, compiled, entered, and proofed 990-PF tax data. I am also grateful to Kristen Radke and Debra Hippler of the Wisconsin Department of Justice who graciously provided access to recent tax information, and to the numerous foundation managers who responded to our survey with tax returns, application guidelines, and annual reports. Special thanks go to my newly retired colleague Suzy Weisman for her many contributions to the Funding Information Center as well as her sage advice on the design of this directory over the years. Finally, I would like to thank my colleagues in Research and Instructional Services for their constant support throughout this project.

THE COLLECTION

Since 1973, Marquette University’s Funding Information Center has been one of the over 475 partners in the New York-based Foundation Center’s Funding Information Network. The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Wisconsin Philanthropy Network) are also available in both print and electronic formats. Photocopiers and printers are available for a fee. All other services are available free-of-charge.

WEB SERVICES

http://www.marquette.edu/library/fic

The Funding Information Center’s Web site provides links to Internet resources providing foundation information, federal grant information, resources for nonprofits, proposal writing, prospect research, and access to the Funding Information Center user guides. The Common Application Form is also available.

ACCESS

Marquette’s Funding Information Center is free and open to the public. A photo ID, such as a driver’s license, is required for Day Pass registration at the entrance to the Raynor Library. Visitor parking is conveniently located just north of Wisconsin Avenue on N. 16th Street or at 13th and Wells St. Regular Funding Information Center hours are as follows:

RESEARCH ASSISTANCE

Orientations to the collection are held twice a month by appointment. Please call for registration information. Appointments are also available for individual consultation with the librarian. It is always recommended to call ahead for in-depth research assistance.
The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 475 partners in its funding information network across the country. These partners are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers.

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://foundationcenter.org.

Wisconsin is a national leader in the community foundation field. Wisconsin’s community foundations, coordinated by Wisconsin Philanthropy Network (formerly Donors Forum of Wisconsin), were the first in the nation to develop a certification process for community foundations.

Community Foundations are nonprofit organizations with the goal of strengthening Wisconsin’s communities. An accredited community foundation has confirmed compliance with The National Standards for U.S. Community Foundations™. According to the National Standards website, to achieve a confirmation of compliance, community foundations must undergo, “an extensive review of their organizational and financial policies and procedures.”

Wisconsin’s Certified Community Foundations administer and invest charitable funds for individuals, families and corporations, supporting Wisconsin’s communities through grants and community leadership.

The following community foundations are confirmed in compliance with National Standards for U.S. Community Foundations as of August 4, 2016:

Listed on the following pages are Wisconsin foundations which do not fit criteria for inclusion in the main section of this directory. The status of the foundation is indicated by letter code as follows:

- **I** = Inactive; foundation reports indicate no grants during recent year(s).
- **M** = Moved out of Wisconsin.
- **N** = Name change. The foundation is listed in this directory under a new name, which is cross-referenced in this section by the name from the last edition of *Foundations in Wisconsin*.
- **O** = Operating or otherwise non-grantmaking. An operating foundation is designated by the Internal Revenue Service as a private foundation whose primary purpose is to operate research, social welfare, or other programs. These foundations make no grants to other organizations.
- **R** = Restricted; grants are awarded only to a designated beneficiary(ies), usually under the terms of a will or trust.
- **T** = Terminated; these foundations have terminated or merged with another foundation; final tax return has been filed since the last edition of *Foundations in Wisconsin*.
- **X** = Status cannot be verified; financial information is incomplete or unavailable.

NEW FOUNDATIONS

The following list is a reprint of the names of 58 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 7 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

**AREAS OF INTEREST CATEGORIES**

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
