The 2019 publication of *Foundations in Wisconsin* is the 38th edition of the print directory and the 19th year of the online database. The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. Additional information was obtained from surveys, foundation websites, and annual reports.

Wisconsin foundations once again grew in two significant areas: grants and assets. Total grants increased by 6.4% to $803 million and total assets increased by 4% to 10.9 billion, both record highs. Additionally, 36 new foundations have been identified this year. (See page 269 for the complete list.) The following table illustrates the 10-year financial pattern as documented in *Foundations in Wisconsin*.

The 50 largest granting foundations in the state (4% of the total number of foundations) account for $518,127,615 or 64% of the total grants reported in this edition. For the list of the top 50, please see page vii.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University's John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. In the past year, we conducted 24 orientations, welcomed over 300 visitors, and responded to over 500 in-person, telephone, e-mail and IM inquiries. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. The online directory’s site provides information about using and subscribing to the database: www.wifoundations.org. For more information about the Center or to plan a visit, please turn to page viii or see our website at www.marquette.edu/library/fic.

Completion of this edition of *Foundations in Wisconsin* could not have been achieved without the efforts of the following people. I am most grateful to my team of Marquette students who contributed their considerable talents to this directory: Clare Casey, Madeline Murphy, Sareene Proodian, and Catherine Simmerer. Their enthusiasm and accuracy in locating, compiling, and proofing 990 tax data was much appreciated. My thanks as well to the Wisconsin Department of Justice for providing access to new tax information. I’m also indebted to the many foundation managers who responded to our survey with tax returns, guidelines, and annual reports. Finally, I would like to thank my colleagues in Research and Instructional Services for their continued support throughout the production process.

The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Wisconsin Philanthropy Network) are also available in both print and electronic formats. Photocopiers and printers are available for a fee. All other services are available free-of-charge.

The Foundation Center (by Candid) is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 400 partners in its funding information network across the country. These partners are libraries, community foundations and other nonprofit agencies that provide Foundation Center resources, such as Foundation Directory Online, and a variety of supplementary materials and services in areas useful to grantseekers.

Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center's Web site at: http://foundationcenter.org.

Wisconsin is a national leader in the community foundation field. Wisconsin’s community foundations, coordinated by Wisconsin Philanthropy Network, were the first in the nation to develop a certification process for community foundations.

Community Foundations are nonprofit organizations with the goal of strengthening Wisconsin’s communities. An accredited community foundation has confirmed compliance with The National Standards for U.S. Community Foundations™. According to the National Standards website, to achieve a confirmation of compliance, community foundations must undergo, “an extensive review of their organizational and financial policies and procedures.”

Wisconsin’s Certified Community Foundations administer and invest charitable funds for individuals, families and corporations, supporting Wisconsin’s communities through grants and community leadership.

The following community foundations are confirmed in compliance with National Standards for U.S. Community Foundations as of August 20, 2019:

### NEW FOUNDATIONS

The following list is a reprint of the names of 36 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 16 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

**AREAS OF INTEREST CATEGORIES**

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
