Dear Sir:

Mrs. George Dowdle, 802 Decatur Street, Lincoln, Illinois, writes me that about November 1st, she sent me \$1 in currency. I have made a thorough search of my files and am unable to find any record of ever having received this money.

Under date of January 7, I wrote Mrs. Dowdle, asking for further particulars. She tells me that she gave the letter with the money inclosed in a self-addressed envelope at her door to the mail carrier.

Dear Father Piet:

I have your letter of December 23.

I enclose herewith copy of my letter of today addressed to Father Grant, which will inform you that \$4,000 has been appropriated to his mission by the Commission for the distribution of the Lenten collection.

I also enclose herewith copy of my letter to Father Joseph Husslein, S.J. of America.

I may tell you confidentially, that the Archbishop made no grant to St. Ignatius Mission because they are of the opinion that Mother Perpetua created too much of a debt in expending \$120,000 on the new building.

This need not, however, prevent the future Bishop of Helena from making a request in the name of St. Ignatius mission.

Dear Mr. Barclay:

In reply to your letter of January 30 referring to the non-receipt of a remittance of \$1 mailed to me by Mrs. George Dowdle, 802 Decatur St., Lincoln, Ill., about November 1, 1925, I am glad to inform you that I have traced the matter, and I am satisfied that Mrs. Dowdle's remittance was received at this office. A painstaking search of our files reveals a slip bearing a name that looked like Mrs. Ellen Landle, 802 Beature St., Lincoln, Ill. The writing is not at all like the writing in the letter signed by Mrs. George Dowdle. The writing on the slip is very nearly illegible. I would not like to tell the donor this, however. I am writing her today to assure her that her remittance is received. Also, that I am writing to you to inform you to the same effect.

I wish to thank you for the attention you have given to this matter.

With further reference to the account for electricity furnished in the name of the Bureau of Catholic Indian Missions, at the above address, we have computed the bills for motor service at the rate of 6.25¢ per kilowatt hour for the period December 18th to April 5th, the date of the change from two meters to one and have made an allowance on this account in the amount of \$2.52 which has been credited on the statement which we sent you which showed an amount owing of \$2.43 - there being now an overpayment on this account of 9¢ which will be deducted from the next bill rendered you.

Statements for both accounts are enclosed herewith.

Dear Sister M. Providence

A very happy Easter to
you from all at St. Mel's.

Sister Francis Joseph will
give you a precious box

of loving hearts of ~~the~~

for our dear Saviour on
Easter Morn. It will help
a little towards the Bursar

or any purpose you may
wish to apply it to.

I know you will show
the box to our dear Mother

for the Propagation of the
 Faith is this desire - we

 Father Donabugh the Director

 letters about the spirit

 He says they are an
 inspiration to him and
 a great encouragement
 in his work for souls.

Love to Dear Mother
