John R. Cavanagh, M.D.

Dear Members,

It is a pleasure to write to you again. It seems so short since the last time.

Since my last letter we have had a meeting with the distinguished members of the Catholic Hospital Association, who felt that we were unfair in passing a disapproving motion on their Hospital Directives. As a result of this meeting, at which there was no meeting of the minds, a new committee has been appointed, chaired by Dr. Edward Kilroy. This committee will meet again with the Catholic Hospital Association on May 16, 1975 in St. Louis. Any interested parties are invited to attend.

Plans for the Annual Meeting are moving forward rapidly. We have had several lively meetings concerning the program and it is shaping up very well.

If anyone has any suggestion which will add to the success of the meeting please do not hesitate to write to me. The theme of the meeting in September will be Medical Ethics. It will be staffed by experts in their field and I hope that all of you will be able to come. We are still trying to have this session approved for accreditation for Continuing Medical Education but as of yet have not been successful.

I am looking forward to the success of our first joint meeting with the National Association of Catholic Chaplains.

Sincerely,

John R. Cavanagh, M.D., President
