*Editor John P. Mullooly, M.D. (left) and E. Joanne Angelo, M.D.*

The Linacre Quarterly Award for 1993 was presented to E. Joanne Angelo, M.D., at the annual meeting of the National Federation of Catholic Physicians' Guilds (NFCPG) in St. Louis, October, 1993. The award-winning article dealt with her professional experiences with Post Abortion Syndrome. Presenting the award, Editor John P. Mullooly, M.D. praised the article for alerting so many to the dangerous sequelae of abortion.

Dr. Angelo is a respected psychiatrist authoring several syndicated articles in the Catholic press. She is involved in private practice and serves on many boards and committees of the Archdiocese of Boston, as well as the board of the NFCPG.
