National Federation Board Elects

Dr. Eusebius J. Murphy

President

At the Executive Board Meeting on December 5, 1959, held in Dallas, Texas, Dr. Eusebius J. Murphy, member of the Bronx Guild, was elected the ninth president of the National Federation of Catholic Physicians' Guilds.

After graduating from Fordham University in 1927, Dr. Murphy received his medical education at Georgetown University and did his internship at Morrisania City Hospital in the Bronx. In his work as a physician, service has been given to eight hospitals in New York, and he is medical director at St. Patrick's Home for the Aged. He is a diplomate of the American Board of Internal Medicine and a Fellow of the American College of Physicians.

Among other offices, Dr. Murphy was president of the New York Celtic Medical Society during 1959. He is a Fellow of the New York Academy of Medicine.

Catholic Action claims a large portion of the Federation president's time. Interested in the pre-Cana Movement, Dr. Murphy is a medical advisor to the New York City Conference. He is chairman of the Retreat Committee of his Guild and has served as president of the Bronx group. He is a 4th Degree Knight of Columbus, a Knight of the Holy Sepulchre, and a Knight of Malta.

Dr. Murphy now begins his term as our president, succeeding Dr. William J. Egan of Boston, whose untiring devotion to the office has spurred the National Federation to greater growth and accomplishments.

We congratulate Dr. Murphy on his election and pledge loyal support during the years ahead. Other officers who will assist during his term are: Dr. J. E. Holoubek, Shreveport, First Vice-President; Dr. C. P. Cunningham, Rock Island, Ill., Second Vice-President; Dr. Gerard P. J. Griffin, Brooklyn, Third Vice-President; Dr. Robert M. Eiben, Cleveland, Secretary, and Dr. Fred M. Taylor, Houston, Treasurer.
