President's Page

We were all grieved at the untimely death of our beloved Moderator, Rt. Reverend Donald A. McGowan. His death was a great loss to the Federation. Monsignor McGowan was a staunch supporter of our activities and represented our organization in many meetings in this country and in Europe through the years. I wish to thank all of the affiliated Guilds for the messages of condolence and Masses.

Our annual winter meeting will be held in Detroit, November 8, 9, and 10, in conjunction with the 25th anniversary celebration of the Detroit Catholic Physicians' Guild. Our Executive Board meeting will be held on *November 8 at 7:30 p.m.*, at the Pick-Fort Shelby Hotel. Saturday, the 9th, will be devoted to a program entitled "The Church, the Physician, and the Population Expansion." Nationally known speakers will participate in the symposium. The Anniversary Mass will be offered at St. Aloysius Church on Sunday morning. All Catholic physicians and priests will profit from this meeting. We expect a very large attendance. Early reservations are urged.

It has been a pleasure to serve you as president during the past two years. The cooperation of the national officers, affiliated Guilds and committees has been most gratifying. Many programs have been initiated and others have been expanded. I ask every member of the National Federation to give continued, untiring cooperation to the new officers who will be elected at this Board Meeting so that the organization may continue to grow in strength, numbers and accomplishments for the greater honor of God.
