## Co-Editors of the Milwaukee Issue...

This August 1966 issue of the *LINACRE QUARTERLY* is the result of the team work of John J. Brennan, M.D., academic editor from Marquette, and John P. Mullooly, M.D., associate editor, with the efficient assistant and tenacious persistence of a delightful and smiling lady of charm, Mrs. Mary Mullooly.

Dr. John Mullooly has an A.B. from Catholic University, 1953 and an M.S. in physiology and his M.D. from Marquette, 1960. He and Mary are proud of their four sons: John Peter, Jr., Michael, Thomas and James. Kathleen M. is due to arrive in October—God willing! Doctor's prior experience as editor-in-chief of the *Marquette Medical Review* is apparent in the diversity of the present contents. He is a practicing internist and clinical instructor in medicine at Marquette University School of Medicine.

Dr. John Brennan has been active in the Federation for a long time. He is past-president of the Milwaukee Guild and a repeated delegate to the executive meetings of the National Federation. He is A.B., Marquette, 1943 and M.D., Marquette, 1946. He has the additional M.S., 1955 in obstetrics and gynecology. He is a staff member of St. Joseph's, St. Michael's and Misericordia Hospitals in Milwaukee and is clinical instructor in OB-Gyn at Marquette. Since 1964 he has been a member of the advisory committee of the Milwaukee Family Life Conference and a member of the National Commission on Rhythm.

Ten little Brennans already crowd the dinner table and Joan is expecting the eleventh in September.

*LINACRE* is proud to salute and gratefully acknowledge its co-editors from Milwaukee.
