THE COLLECTION

Since 1973, Marquette University's Funding Information Center has been one of the over 475 partners in the New York-based Foundation Center's Funding Information Network. The Center's mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, and Internal Revenue Service returns (990-PF's) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Wisconsin Philanthropy Network) are also available in both print and electronic formats. Photocopiers and printers are available for a fee. All other services are available free-of-charge.
