

FOUNDATION CENTER NETWORK PARTNERS

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 475 partners in its funding information network across the country. These partners are libraries, community foundations and other nonprofit agencies that provide Foundation Center resources, such as *Foundation Directory Online*, and a variety of supplementary materials and services in areas useful to grantseekers

Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center's Web site at: <http://foundationcenter.org>.
