INTRODUCTION

The 2007 edition of Foundations in Wisconsin marks the 26th release of the print directory and the 7th year of the online version (www.wifoundations.org). The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was drawn from IRS 990-PF tax returns filed by the foundations. However, additional information was obtained from surveys, foundation Web sites, annual reports, and newsletters.

Wisconsin foundations continue to grow in the following key areas: number, grants, and particularly assets. Active grantmaking foundations now number 1,251, with 73 new foundations identified since last year's publication, resulting in a 25% increase over the past 10 years. Over the past year, total grants increased by 5.8% to a total of almost $479 million, while assets increased by 12.5% to $6.2 billion. The following table illustrates the 10-year financial pattern as documented in Foundations in Wisconsin.

The 50 largest granting foundations in the state (4% of the total number of foundations) account for $320,668,772 in total giving or 67% of the total grants reported in this edition. For the list of the top 50, please see page vi.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s John P. Raynor, S.J., Library. The Center’s mission is to serve the research needs of grantseekers from around the state. We welcomed 544 visitors and responded to over 750 telephone and e-mails inquiries. Among other resources, the Center’s collection includes both the print and online versions of this directory for public use. For more information about the Center or to plan a visit, please turn to page vii or see our Web site at www.marquette.edu/library/fic.

Production of this directory could not have been possible without the many contributions of several key people. I am especially indebted to graduate assistants Jeremy Blackwood, Oana Deselnicu, Alexandria Innes, Sarah Martin, and Katie Morrison who spent numerous hours compiling, entering, and proofing 990-PF tax data. Connie Johnson and Linda Fry of the Wisconsin Department of Justice were most helpful in providing access to recent tax information, as were the many foundation managers who responded to our survey with tax returns, guidelines, and annual reports. I am also grateful to my colleagues in Research and Outreach Services who continue to be a source of terrific support during the production process. Finally a special, heartfelt thanks goes to Editorial Assistant Vance Thomas who, with this edition, completes 6 years of excellent service to the Funding Information Center. His enthusiasm, dedication, and invaluable computer expertise has been greatly appreciated and will be sorely missed.

Since 1973, Marquette University’s Funding Information Center has been one of the over 250 cooperating collections of the Foundation Center (NYC). The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-PF’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (3.5 floppy disk, CD, or flash drive required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

The Funding Information Center’s Web site provides links to Internet resources providing foundation information, federal grant information, resources for nonprofits, proposal writing, prospect research, and access to the Funding Information Center user guides. The Common Application Form is also available.

Marquette’s Funding Information Center is free and open to the public. A photo ID, such as a driver’s license, is required for Day Pass registration at the entrance to the Raynor Library. Visitor parking is conveniently located just north of Wisconsin Avenue on N. 16th Street. Regular Funding Information Center hours are as follows:

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 250 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

FC Search (Electronic Database)  
Foundation Directory 1 and 2, and suppl.  
Foundation 1000

Foundations Today Series  
Guide to Grantseeking on the Web  
Guide to Proposal Writing  
Guide to U.S. Foundations, Their Trustees, Officers and Donors

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://foundationcenter.org.

NEW FOUNDATIONS

The following list is a reprint of the names of 73 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 17 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

Areas of Interest Categories

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar (www.guidestar.org).
