This 22nd edition of *Foundations in Wisconsin* (2003) is the first produced by the new Marquette University John P. Raynor, S.J., Library. The directory is designed as a research tool for grantseekers interested in locating information on private, corporate, and community foundations registered in Wisconsin. Each entry in this new edition has been updated or reviewed to provide the most current information available. Most of the data was extracted from IRS 990-PF tax returns filed by the foundations. However, additional information was obtained from surveys, annual reports, and foundation Web sites.

The economy has slowed the growth of Wisconsin foundations. While the number of active foundations grew to 1160 (up slightly from 1151 last year), other areas are showing decline. For the first time in 23 years of reporting, both grants and assets decreased rather than increased. Grants decreased by .6% as compared to last year’s increase of 7.7%. Assets declined by 6.3%, down from the .3% increase documented in 2002. The following table illustrates the financial pattern over the last 10 editions.

The ten counties listed below account for 87% of the total giving by Wisconsin foundations. Milwaukee County once again tops the list with about one third of the foundations in the state and 51% of the total grant making. Half the counties (Milwaukee, Sheboygan, Racine, Brown, and Wood) showed an increase in grants paid from last year. The others decreased.

The fifty largest granting foundations in the state (4% of the total number of foundations) account for $254,134,170 in total giving, or 66% of total grants paid reported in this edition. For the fifth straight year, all of the top 50 have given over a million dollars in grants. For the list of the top 50, please see page vi.

*Foundations in Wisconsin* is produced by the staff of the Funding Information Center, located in Marquette University’s Raynor Library. The Center’s mission is to serve the research needs of grantseekers from around the state. We welcomed over 600 visitors and received 761 phone calls this past year. Among other resources, the Center’s collection includes copies of both the print and online versions of the directory, which are available for public use. For more information about the Center, please turn to page vii.

Production of this directory could not have been possible without the considerable efforts of many talented people. I am most indebted to my crew of hardworking, dedicated, enthusiastic student assistants who compiled, entered and proofed all the tax data: Rebecca Cesarz, Catherine Kalish, Megan Muthupandiyam, Katie Schrader and Vance Thomas. I am also grateful to the Wisconsin Department of Justice for providing access to new tax information and to the many foundation managers who responded to our surveys. Finally, my thanks go to my colleagues of the Raynor Library Research and Outreach Department for their invaluable and continued support during this project.

THE COLLECTION

Since 1973, Marquette University’s Funding Information Center has been one of the over 200 cooperating collections of the Foundation Center (NYC). The Center’s mission is to provide current information to the fund-seeking public and those doing research on private foundations, philanthropy, nonprofit organization and management, fundraising, grantmaking, and letter and proposal writing. Included in the collection are most publications of the Foundation Center, as well as a wide selection of books, directories, periodicals, annual reports, and Internal Revenue Service returns (990-pf’s) for all private foundations in Wisconsin. Copies of the Common Application Form (a service of the Donors Forum of Wisconsin) are also available in both print and electronic formats (diskette required). Photocopiers and printers are available for a fee. All other services are available free-of-charge.

WEB SERVICES

http://www.marquette.edu/library/fic

The Funding Information Center’s Web Site provides links to Internet resources providing foundation information, federal grant information, resources for nonprofits, proposal writing, prospect research, and access to the Funding Information Center user guides. The Common Application Form is also available.

The Foundation Center is an independent national service organization established by foundations to provide an authoritative source of information on private philanthropic giving. Reference collections operated by the Foundation Center in New York, Washington D.C., Cleveland, San Francisco and Atlanta offer a wide variety of services and comprehensive collections of information on foundations and grants. The Foundation Center also supports over 200 Cooperating Collections located throughout the country. Cooperating Collections are libraries, community foundations and other nonprofit agencies that provide a core collection of Foundation Center publications and a variety of supplementary materials and services in areas useful to grantseekers. The core collection consists of:

- FC Search (Electronic Database)
- Foundation Directory 1 and 2, and suppl.
- Foundation 1000
- Foundation Fundamentals
- Foundation Today Series
- Foundation Grants to Individuals
- Guide to Grantseeking on the Web
- Guide to Proposal Writing
- Guide to U.S. Foundations, Their Trustees, Officers and Donors
- National Directory of Corporate Giving
- National Guide to Funding Series

Many of the network members have sets of private foundation tax returns (IRS 990-PF) for their state or region which are available for public use. A complete set of U.S. foundation returns can be found at the New York and Washington offices of the Foundation Center. Because the collections vary in their hours, resources and services, it is recommended that visitors call each library in advance. For information on additional locations, call the Foundation Center at (800) 424-9836 or visit the Foundation Center’s Web site at: http://www.fdncenter.org.

## NEW FOUNDATIONS

The following list is a reprint of the names of 102 foundations that are being listed in *Foundations in Wisconsin* for the first time, either because they are newly formed, moved to Wisconsin, or had a change in tax status. As with all foundations in this book, the established date, if we were able to confirm it, is the fiscal year that the first IRS 990-PF tax return was filed. The 24 active foundations that have profiles in the main section of the book are designated with an “A.” The rest are from the unprofiled section.

The following categories are used to designate foundation interests, that is, the types of programs supported by a particular foundation during the year for which information is included in this directory. The numbers which correspond to these categories are listed under the term “Interests” in each foundation profile in the main section of this directory. The names of the foundations which have supported these interests are listed on the pages which follow. A foundation must have made grants of $1,000 or more to be included in an interest category.

No attempt is made to show which interest is preferred by a foundation. To determine this preference, view the foundation’s complete grants list found on the IRS 990 tax forms available at Marquette University Raynor Library or via web sources such as GuideStar www.guidestar.org.
