Book Reviews . . .

Delightful Dining by Sister Beatrice Kiesel, C.J.P. Publisher: Heribck and Hold Pittsburgh, Pa.

This is an unbelievable picture book of diets for the diabetic, the weight watcher and for good nutrition. It is the culmination of twenty years in dietetics by Sister Beatrice Kiesel who is Director of the Dietary Department of the Braddock General Hospital in Pittsburgh, Pa.

Early in her career she found many patients who spoke and understood little English by virtue of migration from foreign lands. For these, she wrote a diet book with calorie counts and meals balanced. The book contains a single page of rules, diets from 1000 to 2000 calories and a page of substitutions for the sportsman.

The price per copy is $4.00.

The photography is amazingly appetizing.
